Re: United States v. Valentino Lopez

Dear Judge Roman:

Please accept this letter as a consent request to continue the self surrender date of the above referenced defendant for sixty days. Mr. Lopez, who is sixty-eight years old, with significant health issues, was sentenced by Your Honor on June 25, 2021, and given a self surrender date of July 30, 2021, at noon. That self-surrender date with then extended to August 30, 2021, and that surrender date was subsequently continued to October 30, 2021. As of this date the Bureau of Prisons has not issued a designation facility for Mr. Lopez to surrender and the additional sixty days is requested to allow him to be designated to a facility by the Bureau of Prisons. Assistant United States Attorney David Felton, has informed the undersigned that he consents to the request for a continuance of the self surrender date for sixty days. Therefore, for all of the above reasons the undersigned respectfully requests a continuance of the defendant's self surrender date for Sixty days.,

Very truly yours,

Francis L. O'Reilly
